## In Remembrance of Our Classmate, Jean Roberts

Gone—not to us, Jean, but alive and dear to those who love you. Happy landing thru all eternity.

—Sylvia Mae Frain

May the picture of your sunny smile, thoughtfulness, and sweetness be a guide to make ourselves as well thought of as you.

—Gladys Ellwood

In our mind, your vacant chair can never be replaced, by a more studious person than you.

—Alberta Phipps

I held the highest of respect for you, Jean.

—Eldon Hill

Gone, but not forgotten.

—Alfred Montgomery

I may not have been as close a friend as some, but I shall never forget you as a classmate.

—J. M. Kelly

Jean, you will always be remembered by me, as one of my dearest school-mates.

—Cleda Steele

JEAN

A dear classmate has gone and left us;

Whom on earth we loved so well.

We all bowed our heads in sorrow;

As we cried and said farewell.

She is gone but not forgotten;

In our mind she lingers still

As we go into our classrooms, her vacant chair cannot be filled.

—Lora Shoupe and Tinie Taylor

Jean, you have left in my heart a light which will never burn low.

—Tom Elliott

A real pal, my ideal girl friend. Asleep—but not forever.

—Pruda Reed

Jean, you will always be remembered as one of my best friends.

—Eloise Greene

For she was jes' the quiet kind

Whose natures never vary,

Like streams that keep a summer mind

Snowhid in January.

—K. Wiley

## WE PRESENT WITH PRIDE

About one out of ten-thousand secure membership in this organization. The chief purpose of this body is to promote growth and build up the common mind of the different professions. Its objective is professional advancement on a national scale.

In addition to belonging to the N. E. A. Mr. Roaden is a member of the following professional organizations: Kentucky Educational Association; Upper Cumberland Schoolmasters Club; Upper Cumberland Educational Association; Kentucky Association of High School Principals; Harlan

Schoolmasters Club and the Phi Delta Kappa national honorary educational fraternity whose membership is strictly invitational.

## INTRA MURAL BASKETBALL

The classes from the seventh to the twelfth year of high school have picked teams from their classes to be in the class tournament. Coach H. R. Giles is the organizer. The first game was Tuesday January 19, between the Freshmen and Senior girls. The Freshmen defeated the Seniors by scoring 14-5. Gladys Carter was the high point scorer for the Freshmen and Cleda Steele for the Seniors.

Those who played were:

**EDITORIALS**

Q—ueer, but this quarantine does have its advantages.

U—nless I am badly mistaken, the whole school is pleased because we can spend all our hours of leisure on good old study.

A—fter this quarantine is lifted, we will feel like cannibals (you know, sorta wild).

R—eally, I see that we are more pre-cautious while under quarantine.

A—nother thing is; are you over-loading your system with nose drops, cold busters etc.?

N—ow, if you guard against colds and keep yourself in tip top shape, we'll soon be free.

T—ry not to lose your patience. It can't last forever.

I—f you haven't already thought of it, there is another advantage. We can catch up on our work. No shows, no games, no nothing, just study and watch the pages go by.

N—ature will eventually take her course, she usually does.

E—nd.

**APPRECIATE YOUR ACTIVITIES—**

Have you (Black Star Scholars) ever stopped to think what school life would be, with no activities of any kind, just straight courses? We are very fortunate in having the opportunity of having activity period. We have several each week to choose from. Some are better suited for one club than another. For instance, some students have the idea that they will join a certain club just because they think

they won't have to work as hard as in another that might be better suited for that particular person.

If you are musically talented, join the Glee Club or band; put yourself into it and really enjoy it. Or, you might like public speaking. There is no better opportunity of getting used to speaking before a crowd, than in debating or speech. At any rate, no matter what club or activity you are a part of, do your best and your efforts will be rewarded.

Edinburgh Castle Inn  
Edinburgh, Scotland

Dear Jane:

You are no doubt familiar with the quotation, "There is no frigate like a book to bear us miles away". Believing that this will bear investigation some twenty-six pupils of the high school department of Black Star embarked on an around the world voyage Thursday.

There are almost as many different ways of making such a tour as there are books on the subject, but we, being of democratic mind and unencumbered by too much of this world's wealth, have mapped out our itinerary accordingly.

With Harry A. Franck as the guide we expect to experience many adventures in our Vagabond Journey around the world. Leaving from Canada by cattle boat, we arrived in Scotland where we proceeded to lose our sense of direction on our first mountain climbing trip. This was really not our fault because we were "lost in a fog" However tramping through the mud and fording an ice cold mountain stream didn't make me feel any better the next day.

Speaking of the next day recalls the night before. You should be proud of the tourist accommodations our own country affords. The inns I have seen so far would make our pigs brag about their sties.

It's time to start tramping again. I'll write to you from some other corner of the world next time.

With love from your brother whose most pressing desire is for bigger and better corn plasters and hotter alcohols.

John—

**ART**

Art, an expression of man's emotions, dates back to ancient man when he drew crude outlines of animals that he hunted.

Art is expressed in many ways—music, drawing, sculpture, language, literature, paintings, building, and many other means. Most any thing that man takes pride in doing contains some art. If a person finds it impossible to express with his hands the things he likes he may develop an appreciation of art. Every one should learn to appreciate the better things of life.

The new art department of Black Star High School is progressing rapidly. We are sure the people of the department will gain a valuable asset.

### Through The Net

#### EAGLES WIN FROM LONE JACK

The Black Star Eagles went on the floor to win on Thursday 10, and played satisfactory basketball. The Red and Black cagers scored 19 points while the opponents registered only 10 points. Helton led the scoring for the Eagles while Hobbs led for Lone Jack.

#### EAGLES LOSE TO WOODBINE

The Eagles played smooth, clean ball, but lost to the Woodbine basket-ers by a score of 15-19. Reynolds led the scoring for the eagles with 10 points and Skinner and Terry 6 each for Woodbine.

#### EAGLES SMASH HARLAN 18-16

The Eagles invaded the Green Dragons for their second win of the season and the game was won in the closing minutes of the game. Reynolds scored 7 points for Black Star; Jones 8 for Harlan.

The Eagles and Dragons played with scoring lights attached to backboards

#### EAGLES "vs" BENHAM

Benham appeared to be too strong for Black Star by defeating them by a score of 24-11 on Benham floor.

Sifers scored 3 points for Benham. Reynolds scored 6 for Black Star.

#### PINEVILLE DEFEATS EAGLES 24-19

Pineville Mountain Lions seemed to be one of the toughest foes for the Eagles this season. The Lions defeated Black Star 24-19. It was nip and tuck all through the game as to who led the score. However when the final whistle blew the score stood 24-19. McInturff was best for the Lions with 7 points; Carter led for the Eagles with 7 points.

#### MAROONS DEFEAT RED & BLACK

The Eagles have always wanted to defeat the Bell Countians because the Maroons hate to see the Eagles with a good ball club. Altho the Eagles play a bit better, the opponents defeated them by a score of 20-17.

Helton scored 5 points for the Eagles Slusher was best for Bell County.

#### EAGLES DEFEAT LYNN CAMP

The Eagles brought home the victory Tuesday night when they defeated Lynn Camp by a score of 27-8. The Eagles took an early lead and never gave it up. The score stood 16-5 at end of the half.

Reynolds and Carter were outstanding for Black Star with 10 and 8 points respectively.

#### PANTHERS DEFEAT EAGLES

Due to the height of the Knox Panthers, they were able to defeat the Eagles 32-24. The game was played on the Union College floor. Reynolds was best for Black Star with 18 points to his credit. Mills was outstanding for the Panthers with 12 points.

#### SENIORS vs FRESHMEN BOYS

The Seniors met the Freshmen Tuesday February 2, and defeated them 14 to 8.

Woodrow Terrell, the outstanding offensive player for the Seniors scored five points. On defense he held Delbert Young scoreless.

The Freshmen played a hard game, but they couldn't keep the "flying Seniors" from scoring.

Shoupe and Fore were best for the Freshmen.

Interesting sidelights on this game were: Paul Dunn pulled a big surprise on Ted Ramsey by shooting one from the center of the floor.

Don said, "It looks like Delbert would buy himself a saddle if he planned to ride".

#### FOOTBALL MEN LETTERED

In a recent chapel program the men who had earned their laurels on the field received their reward in the form of the latest in sweaters and letters. The boys repeated in unison a promise to respect their new property and to conduct themselves in a way to reflect credit on Black Star while wearing the sweaters.

Bars on the letters indicated the years of service rendered by the player. Those earning this honor this year with years of service are:

- Willard Phipps (4)
- John Hughes (3)
- Paul Dunn 1
- Harold Moses (1)
- Elmer Hall (1)
- Arnold Walters (1)
- Birchell Helton (3)
- Lee Land (2)
- Tom Elliott (1)
- John Cadell (1)
- Flem Shoupe (1)
- Woodrow Terrell (1)

Miss Disney: (While trying to get some of the students to explain fatigue). How do you feel when you get home from school in the afternoon?

Foxy: I don't know; I feel pretty good all the time.

**BETTER SPEECH CLUB**

The pupils who have enrolled in the Better Speech Club which meets each Friday are being organized as a verse speaking choir. Three groups are formed, the basis for division being the natural pitch of the voices. The high, medium, and low voices take the place of soprano, tenor, and alto (or base) in a singing choir. This organization gives those pupils who are not members of the Glee Club an opportunity to express their love of rhythm in verse and verse speaking.

Although this type of work is entirely new to the pupils they expect to be able to speak a selection before assembly at the end of the term. A poem rich in color and rhythm, "The Highwayman," by Alfred Noyes, has been chosen for study.

**CITIZENSHIP CLUB**

"For when the One Great Scorer Comes

To write against your name,  
He writes not that you won or lost,  
But how you played the Game."

Acquiring and developing a sense of fair play will be the first objective of the members of the Citizenship Club. As a means to this end the twenty-four boys ranking from the seventh through the twelfth year have

been divided into teams with the senior members as group leaders. Competition in contests of skill will afford ample opportunity for practice in developing that attitude of good sportsmanship which makes life a game worth playing.

**TUMBLING CLUB**

They jump through the air with great ease of limb,

Those daring young girls in the Black Star School Gym.

Their movements are graceful so far as I know,

These very young Amazons of the new tumbling show.

Don't look at me or ask why,  
I've a premonition that by and by;  
There's going to be a terrible spat,  
Between the medium, the thin, and the fat.

But if you would keep young, agile,  
and thin,

On Tuesdays come to the Black Star Gym.

We climb the wall, we chin the bar,  
We'll have rhythm that beat by far,  
The Glee Clubs or band of Old Black Star.

**THE BOYS GLEE CLUB**

The Boys Glee Club is looking forward to a great success in the state music competition. It is quite an honor to get to take a part in this competition as the members were first tried out and then selected by the Glee Club directors, Mr. Wiley and Miss Bradley. Different members of the club will enter the following events: quartet, solo, octet, mixed quartet, and chorus.

**GIRL'S GLEE CLUB**

We have two Girl's Glee Clubs this semester. Junior Hi with 25 members and Senior Hi with 33 members. We haven't organized as yet but have planned to elect officers next week. We are all looking forward to going to Pineville for the spring contest. Our contest numbers have already been selected. "Beautiful Dreamer" is the selection for both the girl's clubs. The selection for the Senior mixed chorus is "Red River Valley." The selection for the Junior mixed chorus is "Bendemeers Stream." We hope to win as we did last year.

Mr. Kelemen. Bob, if we breathe oxygen during the day, what do we breathe at night?  
Bob: Nitrogen.
